Reference: April Quarterly Report (1/1/10 - 3/31/10)

Dear Ms. Hough:

This letter is in response to your preliminary review of the Friends of Byron Dorgan's ("Committee") April Quarterly Report. Your review suggested that the Committee did not refund a general election contribution in the amount of \$2,000 from Kerrey for US Senate. The Committee reviewed its records and is refunding the contribution. This refund will be reported on the Committee's October Quarterly report.
